

**Publications from the 2010 ICAZ International Conference  
Paris, France**

---

**Published sessions: 14**

**Session The animal in funerary practices**

Arbogast R.-M. & Lepetz, S., 2013. *The animal in funerary practices*. Anthropozoologica, vol. 48(2). (18 papers).

**Session Raw and worked osseous materials**

Choike, A. & O'Connor, S., 2013. *From these bare bones: raw materials and the study of worked osseous objects*. Oxbow Books. (20 papers).

**Session Variability in human hunting behavior during Oxygen Isotope Stages (OIS) 4/3: implications for understanding modern human origins**

Clark, J. & Speth, J., 2013. *Zooarchaeology and modern human origins. Human hunting behavior during the Later Pleistocene*. Vertebrate Paleobiology and Paleoanthropology Series, Springer's. (14 papers).

**Session Circumpolar zooarchaeology: Arctic hunter-gatherers in context**

Friesen, M. 2013. *Circumpolar zooarchaeology: Arctic hunter-gatherers in context*. Anthropozoologica, vol. 48(1). (6 papers).

**Session Hominin subsistence in the Old World during the Pleistocene and Early Holocene**

Gaudzinski S. & Kindler, L. 2012. *The evolution of the hominin food resource exploitation in Pleistocene Europe: Recent studies in zooarchaeology*. Quaternary International 252. (19 papers).

**Session The development and specialisation of dairying practices**

Gillis, R. & Vigne, J.-D., 2012. *The development and specialisation of dairying practices*. Anthropozoologica, vol. 47(2). (5 papers).

**Session Archaeozoology of Holocene Africa**

Jousse, H. & J. Lesur, 2011. *People and Animals in Holocene Africa. Recent advances in archaeozoology*. Reports in African Archaeology, Frankfurt am Main. (9 papers).

**Session Archaeozoology in a digital world: New approaches to communication and collaboration**

Kansa, S., 2011. *Digital Communication and Collaboration: Perspectives from Zooarchaeology*. The SAA Archaeological Record, vol 11 (1). (10 papers).

**General Session**

Lefèvre, C., 2012. *Proceedings of the General Session of the 11th International Conference of the International Council for Archaeozoology, Paris, 23-28 August 2010*. British Archaeological Reports International Series 2354. Archaeopress, Oxford. (22 papers).

**Session Palaeoparasitology: advances and potential**

Le Mort, F. & Mashkour, M., 2013 *Study cases in palaeoparasitology from the palaeolithic to the modern times*. International Journal of Paleopathology, vol 3 (3). (6 papers).

**Session New perspectives on taphonomy**

Marín-Arroyo, A. B., Madgwick R., Brugal J. P., Moreno-García, M., 2011. *New Perspectives on Taphonomy*. International Journal of Osteoarchaeology, Special Issue. (9 papers).

**Session Old world camelids**

Mashkour, M. & Beech, M., 2014. *Ancient Camelids in the Old World - between Arabia and Europe*. Anthropozoologica, vol. 49 (2). (10 papers).

**Session Animals, and their bones, in the modern world (AD 1750-1950)**

Thomas, R., 2014. *Animals, and their bones, in the modern world (AD 1750-1950)*. Anthropozoologica, vol. 49 (1). (9 papers).

**Session Archaeomalacology: shells in the archaeological record**

Szabó K., Dupont C., Dimitrijevic V., Gastélum Gómez L. G., Serrand N., (eds.), 2014. *Archaeomalacology: Shells in the Archaeological Record. Proceedings of the 11<sup>th</sup> ICAZ International Conference. Paris - Archaeomalacology Working group, 23-28 August 2010, France*, British Archaeological Reports International Series 2666. Archeopress, Oxford (23 papers).

**Publication in progress: 1**

**Session Climate change, human response and zooarchaeology**

Monks, G., in prep. *Climate change and human response: a zooarchaeological perspective*. Vertebrate Paleobiology and Paleoanthropology, Springer Verlag.
